

Water City Music at the Tower

Monday 22nd – Sunday 28th June 2020

Come and join us as the sound of The Tower of London is transformed with performances from choirs and bands from across London!

Each performer is entitled to admission for two special guests to share the magical experience at this iconic site.

Watch performances across three different stages, all linked to the Tower's history as a secure fortress, royal palace and infamous prison. Whilst you're here meet a legendary Yeoman Warder, marvel at the Crown Jewels and maybe see a raven or two.

Guest admission will be from 11.00 onwards at the Wharf Welcome Desk, shown on map below.

Performances take place between 12.00-14.40. For more specific information regarding each school's performance times please check with your child's teacher.

Children under 5 may enter free of charge.
