Information for Staff and Parents about the Prevent Strategy

October 2015

What is PREVENT?

PREVENT is part of CONTEST, the Government's strategy to address terrorism. The main aim of Prevent is to stop people becoming terrorists or supporting terrorism. Prevent focuses on all forms of terrorist threats. E.g. international terrorism, far right extremists (among others).

The Government's Prevent strategy can be found at the following address:

Three key themes

The police, Local Authorities, and our partner organisations are working together to help strengthen and empower our communities to reject those who want to cause harm. We work together and focus on three key themes:

- Safeguarding vulnerable individuals through the provision of advice and support and intervention projects.
- Working closely with institutions such as Universities, Schools, Prisons, Health, Charities and faith establishments.
- Challenging terrorist ideology by working closely with other local and national agencies, partners and our communities
