

Photography

To help us record your children's achievement during their time at St Thomas' there are times that we would like to take photographs of them as they work, play and take part in any other school led activities such as sporting events and school trips.

Pictures like these will form part of the children's records and portfolios and can also be a useful resource demonstrating the teaching, learning and recording process.

These photographs may also be used for

- Staff training
- Recording work
- School publications
- School prospectus
- Display
- The school's website

Please complete, sign and return this letter to your child's class teacher.

If we do not hear from you we will assume that you are in agreement with all of the above.

If you do not want your child photographed please write separately to the Headteacher, Mr D Feasey, advising him of this.
