

PE SPORTS PREMIUM STATEMENT 2017/2018

The Department of Education is providing all primary schools with additional funding to improve the provision of PE and sport. The funding calculation is based on the number of children at the school.

PE funding is allocated to schools for all children to benefit from a wide and varied PE curriculum to encourage achievement and a healthy lifestyle.

St Thomas of Canterbury Primary School is committed to all children achieving their potential during their time at school and uses the money from the PE funding to support school priorities. Last academic year our children were involved in: swimming, tennis coaching, Gymnastics, Netball, Cross Country, Tag Rugby, Multi-Skills, Kwick Cricket, Athletics, Football and Dance.

	Number of Pupils on Role	Funding received
2017/2018	653	10,466

Expenditure for 2017/2018

Priority	Description	Annual Cost	Impact
Hire of a specialist PE Assistant	Hiring specialist gymnastics and dance coaches to work alongside teachers to develop their teaching skills.	£2,280	Increase in teachers delivering high quality lessons with greater confidence and deepened knowledge. Opportunities for children to be involved in different dance routines.
Training opportunities for staff	CPD courses to upskill teachers across a range of sports.	£200	Teachers have gained greater confidence and knowledge to provide high quality teaching.
Rental of the Hub	Qualified football coaches teach all our Year 5 children over the year	£1,000	Improved our children's football skills which has been evident when participating in borough competitions.
Equipment and resources	Purchase of PE equipment and resources for lessons. Purchase of equipment for cross country club and equipment for use at lunchtimes to encourage increased participation in sports skills and games. Purchase of a boxing kit to use after teaching sessions have finished.	£1,366	Pupils compete in annual cross country competition and are trained by qualified teacher. Higher levels of pupil interest and enjoyment in sport and sport-related activities. Increased pupil awareness of the importance of sport in achieving a healthy lifestyle.
Supply cover to allow PE subject leader to accompany children to borough wide events.	Supply teacher costs to release PE teacher.	£300	Increased participation in inter-school competitions allowing an increase in participation in a wider range of sports over more year groups. The participation in sport has increased the confidence of the children and their self-esteem. Any cups won are proudly displayed and parents are made

			aware of sporting events through newsletters and the school's blog.
PE teacher assistant	Money towards the salary of a PE teacher assistant who helps with a large number of PE lessons and takes children to sports fixtures.	£3,000	Young male sports teacher assistant was a good role model to pupils and encouraged all children to participate more fully in sports.
Sports Celebrations	Purchase of medals and stickers to celebrate Sports Day and the sporting achievements of children across the school from EYFS to Year 6.	£100	Increased enthusiasm and motivation towards sports, celebrating individual and team successes and encouraging children to take part in a range of activities.
Workshops: Kidsfit and Skip to be fit	Coaches come in and teach the children about healthy lifestyle and the importance of exercise. Coaches come in and teach the children how to skip properly in different ways and how to partake in skipping games.	£720	Increased enthusiasm and motivation towards sports and understanding of how this can be part of a healthy life style. Children will be able to keep fit by skipping both at playtimes and at home.
Box to be fit	A 6 week course teaching children how to box correctly. A member of staff will be trained alongside and continue with this after the 6 weeks.	£900	A new sport to inspire interest and channel the energy of children positively. Boxing will also be professionally taught with a view to children taking part in competitions.
Staff INSET Day	Staff from MSSP to come in and train up teachers in different aspects of PE.	£600	Teachers have gained greater confidence and knowledge to provide high quality teaching.

St Thomas of Canterbury is also involved with the Merton Schools Sports Partnership which enables our pupils to take part in borough wide competitions. This, together with the money the school invests in sport at St Thomas of Canterbury Primary School, children have access to quality teaching, a wide range of experiences in both team and individual sports and opportunities to compete, with success, at borough level and beyond. We are delighted with the level of involvement in and enthusiasm for sport and PE at St Thomas of Canterbury.
