Making Applications

- Maximise the chance of being offered a school you are happy with by using all six preferences
- Include Merton schools and any out-borough schools on the same application
- Obtain school prospectuses and visit school websites to find out about school open evenings
- Consider your likely chances of success. Pay attention to each school's criteria and how places have been offered in the past

Making applications continued

- Use your preferences as a wish list but make sure some are realistic. If you do not get one of your higher preferences, you automatically go on the waiting list
- Apply online and ensure your application is submitted by the closing date (31 October)
- Don't use false a address. Any information on your application will be checked

Deadlines

- 31 October is a national closing date
- Changes of address can be considered up to 11 December
- Deadlines for supplementary forms or test registrations may be different – check with the schools you are applying for

Arrangements for Selective schools due to Covid-19

- Selective schools have delayed their testing dates until after the 31 October national closing date due to Covid-19
- Parents who apply for places at selective schools will not know the outcome of their child's test until after the closing date
- Parents wishing to make changes to their list of preference schools once they receive test results will be allowed to do so

Arrangements for Selective schools due to Covid-19 continued

- Preference changes will be permitted from 31 October up until 10 December
- Changes will need to be advised in writing to the home borough – for Merton residents, changes should be emailed to admissions@merton.gov.uk
- Parents will not be penalised for making changes
- An application must still be submitted by 31 October in order for changes up to 10 December to be permitted

How the Offer Process Works

- Schools do not know your preference order
- Applications are ranked solely according to the admissions criteria for the school
- If you are eligible for more than one school, the higher preference of these will be offered
- Those who are not eligible for any of their preferences will receive an alternative offer

After Offer Day

- If you don't get your first preference school, don't panic
- Read the outcome text fully
- Don't reject an offer without an alternative school place secured
- Remain on waiting lists
- Appeal for preferred schools

2020 In Numbers

- 64% of Merton parents received a first preference offer
- 88% received one of their top three preferences
- 94% received one of their six preferences
